Ascension Day School Summer Camp Frequently Asked Questions

Who gets priority for summer camp enrollment?
Children who are currently enrolled in our school program and are registered for the 2025-2026 school year. Current families who request all 9 weeks of camp receive priority. Next, we welcome current families who wish to register for entire sessions (June/July), space permitting, followed by individual week registrations.

Do ADS teachers teach summer camps?
Priority is always given to ADS teachers to teach summer camp. If teaching positions are open, we hire teachers from other preschools as well as RISD teachers.

Is summer camp tuition refundable if our plans change?
No, summer camp tuition is non-refundable. We base staffing, lesson plans, activities, and supply purchases on the number of children registered.

What should I bring each day to summer camp?
A water bottle with ice (16 ounces or more), a disposable, healthy snack and a bento box-style lunch container

Does my child need to be potty trained to attend camp?
All children who are in the 3 year old and up classes must be potty trained.

If we are out of town for a week we've signed up for, can we switch with a friend?
Unfortunately, we cannot accommodate this request due to several logistical reasons.

Can I send sunscreen and bug spray to camp?
Please apply sunscreen and bug spray before drop-off.

What does a typical day look like at summer camp?
Teachers plan arts and crafts, and sensory activities based on the weekly theme. Your child will have a morning snack, outdoor playtime in the courtyard or on one of the playgrounds, structured classroom activities such as circle time and centers. Finally, they will eat lunch before heading home.

How many classes will you have for the 2025 summer camp?
We're projecting the following classes based on the parent survey:
18 months through 30 months
2-year-olds
3-year-olds
4-year-olds
Incoming Kindergarten and 1st graders
Incoming 2nd through 4th graders

Do you plan to extend the day past 12:30 PM?
We are considering extending the day based on demand. About 15 families have expressed interest, so after registration, we'll discuss options with teachers and families to assess needs. This would be an additional charge.

Will you have a camp in August?
At this time, we aren't planning to hold an August camp. If we can find the appropriate staffing, we will reach out.
